Date : March 31, 2008

The Havens award is offered for the best collection of 12 flowers from divisions 5 through 9 (I think). This winning entry was exhibited by Lynn Ladd. Lynn also won the Standard American Bred, the collection of 5 whites, collection of 5 pinks, the Irish collection of 5 and others that I didn't get photos of and couldn't on the 2nd day because a flower in each succumbed to the heat of the room. I worked after judging until closing time and still didn't get time to take those important photos. I'm sorry Lynn. Most of the flower names are visible in the photo. Tom
