This is just a teaser. More are on the way and we don't have photos for all that will be offered. However, this will give you something to think about before you get to Richmond and, in the case of some of us, before any bloom appears in our own yards.

As we did in the fall, there will be an opportunity for you to bid, even if you aren't at Richmond. Stay tuned for details.

If you have a contribution to the auction, just let me know and I'll add it to the list and to this slide show if you can provide a photo.

You may have to maneuver your browser to get the best pic of a certain bloom, since the photos submitted were of different qualities. A later version for use at the convention will have the name, hybridizer, and contributor named.
