The winning exhibit was entered by Brian Duncan. The flowers are Treasure Hunt, Spin Doctor, Tropical Heat, sdlg. 2611, sdlg. 2657, Armidale, Star Quality, Chobe River, Auchranie, Coliseum, sdlg. 2627, and Jammin. This picture concludes my series on the World Daffodil Tour. Of course, we saw a lot more daffodils than these as well as several non-daffodil sights, but I hope these pictures of some of the best that we saw give you a glimpse of what you missed if you didn't go on the tour or bring back fond memories if you did go on the tour. There Should be a total of 79 postings in this series. Let me know if any failed to get posted. The file names start with WDTnn where nn ranges from 01 to 78 with 64a Inserted after 64. Kirby Fong
