All -

I received this over the weekend; no clue how this woman found my email address (where did she look -??)...

I have no seeds ever...

If anyone cares to pursue~

Hello Mrs.Sara Van Beck.

A hearty good morning to you on such a lovely summer morning in Mean RUSSIA.

About me.

Yuri Matjunin.

My age – 47 years.

I was born in Russia. I live in city of Togliatti (near city of Samara) on a coast of the Great Russian River Volga near the National Park Samarskaja Luka.

My wife Ellen works the teacher in the children's house.

She works with children to her very much it is pleasant. Children very much love her.

She in group has miscellaneous children. Basically it is children stayed without of the parents.

We want to have in the children's house a small garden.

That these children could see these interesting plants and learn about them. Where they grow?

Could you help me, please?

I want to ask if you slightly daffodil needs for a children's house.

Children very much want more to learn about interesting plants.

Whether you can send me slightly seeds?

I'll be very grateful.

Be so are kind doing not give up to me in my request.

My postal address:

Matjunin Yuri
