Date : September 21, 2008

The 1st placed and last placed entries in the 9 x 3 vase collection.

Easily won by I R N with 9 very good vases of clean , top quality show blooms.

My entry of 9 very bright , ungroomed , non show varieties that all have great colour .

Deservedly last on the show judging standards , but as judge Reg Cull said , Which one would the public prefer and purchase.
