

Another reverse bicolor I need

Author : Janie Vaughan, Virginia

If anyone has divided "Pineapple Prince" and can spare a few, I'd like to buy 3 or 4.

Catalogues sold out of it quickly, and I really need another rev. bicolor. Please only reply to my *own* email address, as I cannot maneuver the daffnet site to see any message board replies: JaneACV@gmail.com

Thanks!

Janie Vaughan in Lynchburg, Virginia
