A very regular Judge on the local circuit is Claude Poulsen , from Petone .

Claude was one of the first to be awarded our N D S Certificate of Appreciation at the Lower Hutt National in 2008 ; he has tirelessly promoted our favourite flower in the Wellington and Hutt Valley area for many years and supported the national shows in Lower Hutt with his team from the Hutt Valley Horticultural Society .

A well deserved award and he was thrilled to receive it ...

A very attractive display from the local pottery painters can be seen behind Claude ;

Almost all flowers including Daffs featured on some of the plates and vases .
