In 2004 we attended the Convention inMelbourne.

Before going on to Melbourne we were kindly accommodated in Perth @ Jennie & Phil,s home.

During our short stay there we were taken to see Jennie,s mum and other members of the family. We were made most welcome. It was a great honour to meet Marie,a lovely lady and a true pioneer of our lovely flower in Western Australia.

Our sincere condolences go to Jennie & Family.

Mike&Sandra Burrell.
