Dear ADS and ADS Board Members,

By now I think everyone has received their ADS Journal and read about the Intermediate Symposium being held in Virginia, October 1-2, 2010.

I do hope you are planning to attend and just a reminder that **September 1**– the cut off date for the special rate of \$79.00 for rooms – will be here before you know it!

For those of you that would be interested, this special rate may also be received for Thursday night, September 30 and Sunday night October 3, 2010. Due to the programmed “special rate block” you would first make your reservation as usual.....then contact **ANDREA SUMMERS , Sheraton Premiere at TysonsCorner**, hotel events manager and leave a message that you wish to extend your stay on either side of the reservation. She will enter the info and you will get the special rate of \$79.00 per night. Remember to use the code: **American Daffodil Society** when making your reservation.
