I am the lucky one; my box of Journals from the Printer arrived a couple hours ago! So, I have read our new June Journal from cover to cover! I think you will all like our new format and will want to congratulate our new Editor Greg Freeman on an outstanding job!

I can't imagine how hard it must be to bring to fruition a whole Journal! I've always marveled at how our Editors pull it off 4 times a year and now our new Editor has done a great job on his first one.

Most of you should have them in hand tomorrow and if not this week; they were mailed on Friday.

Thanks Greg for taking on this huge task and doing such a fine job at it too.
