It's wonderful to begin to see photos from the early US shows! Now my plea... don't forget to complete the three reports that we need for each of your shows (main show report, medals report, and judges report). The respective recipients are on each report form. They can be found on the ADS website at:

[daffodilusa.org/resources/regional-and-local-show/#reports](http://daffodilusa.org/resources/regional-and-local-show/#reports)

Thanks so much to all who handle the behind-the-scenes show details!
