The 2017 RHS Yearbook just arrived. I hope to send them out Wednesday. They will be shipping Media Mail so it may take a few days to get to you. If you get worried you can always send me an email. I should have a tracking number (which may or may not provide much information).

I will send an invoice with the pre-ordered Yearbooks. I should have about a half dozen more that are up for grabs.

Payment can be sent to me as a check. OR you may also pay through the Web Store. Click on either the [2017 RHS Yearbook icon](#) OR go to the [Donation page and change the \\$1 icon to \\$25](#). Be sure to include your current email address just in case I get confused. I won't send a second copy of the RHS Yearbook if you click on it.

I'm glad they came in with enough time to enjoy them before the holidays. Frank
