This morning I received an email from Naomi Liggett with some sad news:

"Sad news. Tag (Delores) Bourne died this am. She was a long time member of ADS and Board member for many years."

Many of you will know Tag from her long-standing love of daffodils. She was particularly fond of the poeticus hybrids. She was a stalwart of the Central Ohio Daffodil Society, having served for many years as the Editor of that Society's publication, *CODS Corner*. A long-time member of ADS, she served over the years as the Chairman of the Slide Program/Photography, Awards, and Librarian Committees. She was a Director-at-Large and an ADS Accredited Judge. She was the recipient of the ADS Silver Medal in 1993.

She had been ill the last few years, but still managed to get out to see the local show. She will be missed by many. Our condolences to her family.
