

December Journal

Author : ADS Executive Director

Categories : [American Daffodil Society](#), [General](#)

Date : January 12, 2019

Good morning everyone

I've received 2 emails from Georgians who haven't received their December Journal. This makes me curious if a larger problem hasn't happened. Are their others in the great state of Georgia (or elsewhere) who haven't received their Journal yet? Let me know and I will zip one in the mail

frank

Just a little Matador 8y-goo (Oregon Bulbs Farm 1958) to brighten you day - - -mine has never had yellow petals
hmmmm
