There are still a few days to send in your list of "Which daffodils I would grow if I could only have 25 varieties". This is a project related to the coming ADS Fall Forum in Lynchburg next weekend. As part of that meeting, we're having a "small" symposium about planting miniatures, using pots, and planting in small spaces. I want to collect as many responses as possible to the question, "What 25 would you choose." I appreciate the many people who have already contributed. This is for everyone, even if you're not attending the Forum. The final list of top 25 choices will be presented at the meeting and also in the *Journal*.

To be included, send your list to me at [hickmanderm@aol.com](mailto:hickmanderm@aol.com) by Wednesday, October 23.

Make sure your favorites are counted!

Thank you,

Janet
