Many thanks to Kirby and Tom for posting photos from daffodil shows this spring. Since most all our shows are cancelled for the rest of the year, let's do as Becky is doing and post flowers that are blooming in our gardens. The season is just getting started here, but these are some early ones blooming now.

Top, left to right: a mini trumpet seedling of mine; also a mini trumpet seedling of mine; 'Itzim'

Next row: Link mini trumpet seedling; 'Norwester'; 'Oakwood Sprite'

Next row: 'Prologue' a classic almost always among the first to bloom; 'Rocket Man' showing better color after the rain last night

Bottom row: 'Tete-a-Tete' and 'Wayne's World'
