MARATHON DAFFODILS

January 2022

Dear Marathon Daffodils Friend,

Spring will arrive sooner than you think, and the Boston Marathon 2022 is Monday, April 18th, 2022. This is our ninth year, bringing a symbol of Hope, a tribute to Boston Strong, and a celebration of Spring. We hope you will help us welcome back the runners and the crowds. We hope you will help us thank our Boston Healthcare workers.

Marathon Daffodils has been supported by you, generous donors, volunteers, residents, workers, visitors and horticultural professionals. Your help will be greatly appreciated.

During the past two years of the COVID pandemic, Marathon Daffodils distributed thousands of potted blooming daffodil plants to our health care facilities

Our goal is to continue our tradition to deliver a symbol of Spring and Hope to our traditional Boston Marathon, to welcome the runners back to Boston, and deliver Marathon Daffodils plants of appreciation to the doctors, nurses and staff at the Boston hospitals, to respectfully honor the essence of Boston Strong.

We look forward to work with you for Marathon Daffodils 2022. We need funds to provide as many daffodils plants possible and volunteers to distribute the daffodil plants on Friday, April 15th, 2022.
